BAY DYNAMICS RECEIVES SYMANTEC APEX PARTNER OF THE YEAR AWARD

Bay Dynamics Recognized as the leading Altiris Solutions Partner at Symantec's annual APEX event

Las Vegas — March 8, 2009 — Bay Dynamics today announced that Symantec recognized the company as the Partner of the Year at Symantec's annual "Altiris Solutions Partners in Excellence" event – APEX 2008 – in Las Vegas, CA on March 8th. Bay Dynamics was recognized for its dedication and commitment to selling Symantec's Altiris management solutions, as well as its overall performance in revenue, deal registration, technical and marketing investments, and certifications.

"Bay Dynamics is honored to receive the prestigious Altiris Solutions Partner of the Year award," exclaimed Feris Rifai, CEO and Co-Founder of Bay Dynamics. "We are, more than ever, committed to growing Bay Dynamics' long standing relationship with Symantec in an effort to add as much value as possible to our mutual clients."

In 2008, Bay Dynamics continued to be the leader in identifying and closing deals for Altiris solutions. In addition, Bay Dynamics completed several certifications on Symantec products, including Symantec Endpoint Protection and Data Loss Prevention.

"Symantec is proud to recognize the APEX award winners for their ability to utilize the Symantec portfolio of Altiris management solutions to help customers drive greater return on investment," said Randy Cochran, vice president, channel sales for the Americas, Symantec. "With the final integration of the Altiris Partner program into the Symantec Partner Program, our partners are better able to represent a broader scope of innovative solutions."
